## Section 6 - Procedures

### Part A - Paid Primary Carer Leave

(9) The provision of Paid Primary Carer Leave includes the following entitlements for staff employed on a continuing or fixed-term basis in accordance with Clause 46 of the [Enterprise Agreement](#):

Length of Service of Eligible Staff Member	Paid Leave Entitlement
Less than 12 months	2 weeks paid leave for each completed month of service
Between 12 and 24 months	26 weeks paid leave

Length of Service of Eligible Staff Member	Paid Leave Entitlement
24 months or greater	36 weeks paid leave

(10) To be eligible for Paid Primary Carer Leave a staff member employed on a continuing or fixed-term basis must have or will have, responsibility for the care of the child during the leave either by way of:

- a. birth of a child of the staff member, or the staff member's partner or former partner or a legal surrogate; or
- b. adoption of a child under the age of 16 years; or
- c. an Indigenous Australian Kinship caring arrangement of a child.

(11) A staff member will be considered as being responsible for the care of the child during the leave in circumstances where they are solely responsible for the day-to-day caregiving of the child for the majority of the time each week during the leave period (noting that for up to eight (8) weeks during the leave period the responsibility for the care of the child can be shared). For the purpose of entitlement to Paid Primary Carer Leave, a staff member will be considered as being responsible for the care of a child if the child attends an early childhood education and care service for part of each day.

(12) A staff member who is not assuming sole responsibility for the day-to-day caregiving of the child for the majority of the leave period is not entitled to Paid Primary Carer leave.

(13) If a staff member takes Paid Secondary Carer Leave and later becomes eligible to take Paid Primary Carer Leave, their entitlement to Paid Primary Carer Leave will be reduced by any period of Paid Secondary Carer Leave taken.

(14) Eligible staff employed on fixed-term employment contract which expires during a period of Paid Primary Carer Leave, will not be eligible for further parental leave after the date the fixed-term employment contract expires, unless they are re-employed on a continuing basis or in a further fixed-term and there is no break in service in accordance with clause 46.11 of the [Enterprise Agreement](#).

## Planning for and the timing of Paid Primary Carer Leave

(15) Paid Primary Carer Leave is to be taken as a single continuous period and may be followed by a period of Unpaid Parental Leave. The total maximum period of leave is 52 weeks. This will not affect the entitlement for eligible staff to take Further Unpaid Parental Leave of up to a further 52 weeks.

(16) Paid Primary Carer Leave may be taken in combination with their accrued entitlements leave to recreation leave and long service leave or with unpaid Parental Leave. However, eligible staff taking parental leave may take only one form of paid leave at a time and must have utilised all of their Primary Carer Leave or Paid 'School Age' Primary Carer Leave before a staff member can utilise other entitlements including unpaid parental leave, accrued recreation leave or long service leave. A staff member on parental leave (paid or unpaid) does not have any entitlement to University holidays or other leave entitlements (except for accessing their accrued recreation and long service leave).

(17) Eligible staff may access Paid Primary Carer Leave up to six (6) weeks prior to the expected date of birth or day of placement of the child, and all Paid Primary Carer Leave entitlements must be utilised within 52 weeks of the date of birth or date of placement of the child.

(18) Eligible staff members are required provide written notice of intention to take this leave to their supervisor/manager at least 10 weeks before the expected start date of leave (or as soon as reasonably practicable). Written notice is to include:

- b. Details of all leave paid and unpaid requested (and dates if known);

- c. Medical certificate detailing the expected date of birth or information confirming expected day of placement of the child or caring arrangement; and
- d. Confirmation that the staff member will be the primary carer for the period of the leave (save up to eight (8) weeks during the leave period which there can be two primary carers of the child).

(19) If an eligible staff member cannot provide 10 weeks' notice in writing of expected start and end date with supporting medical certificate or information of adoption or caring arrangement to the University in writing then they must provide as soon as reasonably practicable.

(20) Applications for Paid Primary Carer Leave are to be submitted via the ASK HR platform (on the intranet). Approval from supervisor/manager to be included where possible.

(21) To assist staff, the University encourages staff to have discussions with their supervisors and managers prior to lodging an application and to obtain further information from the ASK HR platform.

### **Election to take Paid Primary Carer Leave at a Proportion of Full Pay**

(22) Eligible staff may elect to take Paid Primary Carer Leave at a proportion of full pay over an extended period however this will not exceed the maximum total quantum of Paid Primary Carer Leave that the staff member is eligible to receive. In accordance with clause 46 of the [Enterprise Agreement](#), all Paid Primary Carer Leave entitlements must be used within 52 weeks of the date of the birth or placement of the child.

#### **Example**

(23) By way of an example, an election to take Paid Parental Leave at a Proportion of Full Pay would occur when an eligible staff member who is entitled to 26 weeks paid parental leave elects to take Paid Primary Carer Leave at half – pay. This would mean that they would be paid at 50% of their applicable rate for 52 weeks instead of 26 weeks.

(24) Paid Primary Carer Leave may be paid at a proportion of full pay over an extended period provided that:

- a. the total parental leave entitlement paid will not exceed the maximum total quantum specified clause 46 of the [Enterprise Agreement](#) for eligible staff;
- b. the period paid at a proportion of full pay cannot be taken flexibly and must be taken as a single continuous period (without a break until the full entitlement that an eligible staff member is entitled to is paid to the staff member);
- c. other leave entitlements will accrue on that same pro rata basis during the relevant period; and
- d. all Paid Primary Carer Leave entitlements must be used within 52 weeks of the date of the birth or placement of the child.

(25) In addition, eligible staff members may elect to be paid Primary Carer Leave in a combination arrangement however the combination payments must not extend past 52 weeks from the date of birth or placement of the child.

#### **Example**

(26) For example, to be paid at Full Pay for a period and then at Proportion of Full Pay for a period of the entitlement to Paid Primary Carer Leave. By way of example, an eligible staff member who is entitled to 36 weeks of Paid Primary Carer Leave may elect to be paid at their full rate of pay for 20 weeks and then at half- pay (50%) for the remaining 16 weeks. This means that the staff member receives their full entitlement over a consecutive period of 52 weeks).

## Planning for and the timing of Unpaid Parental Leave

(31) Unpaid Parental Leave is to be taken as a single continuous period (unless the eligible staff member seeks to take Flexible Unpaid Parental Leave in accordance as outlined in clause 45–51 of this Policy). For example, in the form of a medical certificate.

(40) If a staff member is entitled to unpaid parental leave and satisfies the evidence requirements to transfer a safe job but there is no safe job, the University will pay the staff member (if they have completed 12 months of service) for their ordinary hours of work until the risk period ends or a period of parental leave commences. For staff who are yet to complete 12 months service the University will grant the staff member unpaid no safe job leave until their period of parental leave commences.

(45) Flexible Unpaid Parental Leave forms part of the total entitlement of 52 weeks of Unpaid Parental Leave and the eligible staff member must have responsibility for the care of the child. Staff can take Flexible Unpaid Parental Leave whether or not they have taken other periods of Unpaid Parental Leave. However, the total of the period must not be longer than 52 weeks.
