(2) As a Registered Training Organisation (RTO) the University is authorised to deliver the Certificate IV in Aboriginal Cultural Heritage Management (Cert IV ACHM) under contract with and on behalf of First Peoples State Relations (FPSR) which operates within the Victorian Department of Premier and Cabinet. FPSR is the owner of this qualification, registered with the Victorian Registration and Quality Authority (VRQA).

(3) This Policy outlines the key processes for assuring the integrity of governance and accountability in the management of the La Trobe RTO and its continuing compliance with the following standards (hereafter referred to collectively as 'the VET Standards':

- a. [National Vocational Education and Training Regulator \(Outcome Standards for NVR Registered Training Organisations\) Instrument 2025](#) (the Outcome Standards)
- b. [National Vocational Education and Training Regulator \(Compliance Standards for NVR Registered Training Organisations and Fit and Proper Person Requirements\) Instrument 2025](#) (the Compliance Standards)

## Section 5 - Policy Statement

(6) The La Trobe RTO ensures through its governance that the organisation, and any course it is authorised to deliver, are conducted in an environment of integrity, fairness and transparency. This is assured by:

- a. the fulfilment of all conditions imposed by ASQA annually and at other required times;
- b. the appointment of fit and proper management staff, including a VET Chief Executive Officer (VET CEO) and a VET Program Manager, to oversee the La Trobe RTO's governance and operations;
- c. the conduct of an annual internal audit and risk assessment, prior to the submission of a Compulsory Compliance Statement;
- d. an ongoing close collaboration with the curriculum owners and funding partner for the current in-scope course;
- e. the ongoing monitoring and review of the Cert IV ACHM course and the arrangements for its delivery, through the development of, and adherence to, a continuous development plan;
- f. ensuring culturally safe and culturally responsive governance and management practices, within the context of the broader governance environment.

## Section 6 - Procedures

### Part A - La Trobe RTO Registration

(7) The VET Program Manager is responsible for completing documentation for the re-registration of the La Trobe RTO in collaboration with the VET CEO. Re-registration normally occurs every five (5) years; however, any pause of up to 12 months between Cert IV ACHM occurrences may result in the La Trobe RTO being required to initiate a new out-of-cycle registration process.

### Part B - Course Registration and Addition to Scope

(8) The La Trobe RTO understands that it is an offence to deliver or market a VET course that is expired or not in scope of registration. The VET Program Manager ensures that the La Trobe RTO offers the current version of the Cert IV ACHM. This involves:

- a. collaborating with FPSR (as the curriculum owners and delivery funding partner) who are responsible for reviewing and submitting a revised Cert IV ACHM course to the VRQA when re-registration is required;
- b. providing all documentation required for a change of scope via the ASQA process, including written permission from FPSR to deliver any new version of the course;
- c. consulting with the CEO before applying to add/replace the training scope with ASQA at least 28 days before any anticipated new delivery.

### Part C - Leadership and Accountability

## Key Responsibilities

(9) The key responsibilities of senior staff associated with the La Trobe RTO are as follows:

(13) The VET Program Manager is responsible for the acquittal of the budget and reporting against contract financial milestones.

(14) The overall responsibility for the CERT IV ACHM budget lies with the School of Humanities and Social Sciences.

## Part E - Assurance of Trainer and Assessor Competency

### Staff Recruitment and Qualifications

(15) The VET Program Manager, in consultation with the VET CEO, ensures that appointed trainers and assessors for the Cert IV ACHM have the required qualifications and vocational competencies for their roles.

(16) Where a trainer or assessor does not have appropriate qualifications or vocational competencies the VET Program Manager ensures that the staff member is directly supervised by a trainer with the requisite qualifications and that appropriate records are kept. The supervising trainer/assessor does not need to be present during all training delivery but must provide the staff member with regular guidance, support and training, and maintain appropriate records of supervision.

(17) Staff without full credentials have limitations on their roles in assessing student work as outlined in the [VET Course Policy](#).

(18) Where the La Trobe RTO uses a third-party provider for training and/or services the VET Program Manager ensures the arrangements are made in writing and all requirements under Division 3, Section 17 of the [Compliance Standards](#) are met.

(19) Where the La Trobe RTO uses expert speakers who are not credentialed trainers, training must be conducted under the supervision of a compliant trainer.

## Induction

(20) Newly appointed trainers and or assessors receive a face-to-face induction and an induction kit from the VET Program Manager.

Time allowances are made to ensure that professional development, both vocational and training focussed, can be undertaken.

(23) Professional development activities are logged by trainer/assessors and form part of the quality assurance statement provided to ASQA annually.

## Part F - Quality Assurance and Compliance Obligations

(24) The La Trobe RTO must meet quality assurance expectations, working in accordance with ASQA requirements on an annual basis and as required. The VET Program Manager is responsible for ensuring:

- a. the conduct of regular RTO and training performance reviews through the maintenance of a continuous improvement plan (see also the [VET Course Policy](#));
- b. that the VET CEO and VET Program Manager, and any other executive staff, are registered with ASQA as Fit and Proper Persons under the Fit and Proper Persons Requirements, section 186 (1) of the [DEWR National Vocational Education and Training Regulator Act 2011](#), as defined from time to time;

(37) Students should first seek a review with the staff member who made the decision. Where students feel unable to do this, or are not satisfied with the outcome, they may seek a review from the VET Program Manager, or where they are the decision maker, the VET CEO.

(38) A request to review a decision must be lodged in writing to the relevant decision maker within 10 business days of the relevant process or decision.
