- b. [Sexual Harm Prevention and Response Policy](#)

# Section 7 - Definitions

(14) For the purposes of this policy and procedure:

- a. bullying is the repeated, unreasonable and less favourable treatment of a person. It includes behaviour that intimidates, offends, degrades or humiliates a person and creates a risk to health and safety. Bullying can:
  - i. take many forms, including jokes, teasing, nicknames, emails, pictures, text messages, social isolation or ignoring people, or unfair work practices;
  - ii. involve many different forms of unreasonable behaviour, which can be obvious (direct) or subtle (indirect);
  - iii. be intentional, where someone's actions are intended to humiliate, offend, intimidate or distress, whether or not the behaviour resulted in that effect; and
  - iv. be unintentional through engaging in behaviour that results in humiliation, offence, intimidation, distress and could reasonably have been expected to cause that effect.
- b. discrimination is when distinctions are made between individuals/groups so as to disadvantage some and advantage others. It can be classified as either direct or indirect:
  - i. direct Discrimination – when someone is treated less favourably than another person/group in a similar situation because of personal characteristics protected by law; and
  - ii. indirect Discrimination – when an unreasonable requirement, condition or practice is imposed that has, or is likely to have, the effect of disadvantaging people with a personal characteristic protected by law.
- c. harassment is when uninvited or unwelcome behaviour causes someone, or a group of people, to reasonably feel intimidated, insulted or humiliated. It can occur in a single incident or a series of incidents. Harassment may also be experienced as a result of witnessing behaviour not directed to that person e.g. overhearing an unacceptable joke. Each person perceives things differently as their values and experiences are unique to them. As such, they may react differently to how someone might expect.
- d. hazing is when students are not permitted to engage in any action taken or any situation created intentionally that causes embarrassment, harassment or ridicule and risks emotional and/or physical harm to an individual or members of a group or team, regardless of the person's willingness to participate (often referred to as 'hazing'). The difference between hazing and bullying is subtle, which is why they are often used interchangeably. The same power dynamics are involved, and the same intimidation tactics used. The only real difference between hazing and bullying is that bullying usually involves singling out an individual at any time and bullying them as a means to exclude them. Hazing, on the other hand, involves including people by having them 'earn' their way into a group or onto a team.
- e. sexual harassment refers to an unwelcome sexual advance, an unwelcome request for sexual favours or other unwelcome conduct of a sexual nature in person or via electronic/social media. It includes:
  - i. verbal forms such as making comments about someone's appearance in a sexually suggestive way, unwelcome enquiries regarding a person's sex life, requests for sex or repeated unwelcome requests for dates, telephone calls with a sexual undertone, continuous rude or sexist jokes/remarks, sexual insults or taunts, spreading sexual rumours, threats or non-consensual disclosure of a person's sexual orientation, rating peers or colleagues with respect to sexual performance, sending sexually explicit emails or text messages;
  - ii. non-verbal forms such as gestures with a sexual meaning, staring at someone or making obscene gestures or noises, stalking (including cyber stalking), "flashing" or exposing body parts; and
  - iii. visual forms such as displaying objects or promotional material, reading materials, or other materials that are sexually demeaning or pornographic in nature.
- f. sexual harm: means misconduct of a sexual nature and includes:
  - i. sexual assault and rape;

- ii. sexual harassment;
- iii. sexual exploitation;
- iv. Sexual abuse;
- v. any conduct of a sexual nature without consent, including:
  - obscene, indecent, threatening language or behaviour (including indecent exposure);
  - observation, filming or distributing an image of a person's genital or anal region or an intimate image without consent (eg revenge pornography);
  - drink spiking;
  - stalking; or
  - hazing of a sexual nature.
