(1) This Policy establishes the framework for dealing with students under eighteen years of age. In the case of international students, this includes processing applications and ongoing management after acceptance. The University acknowledges its responsibilities to underage international students to ensure that appropriate welfare and accommodation arrangements are in place to protect the personal safety and well-being.

Section 2 - Scope

(2) Applies to:

- a. all campuses;
- b. all programs;

(4) For underage international students, the [ESOS National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students 2018](#) sets certain legal obligations in respect of international students under the age of 18 on student visas. These are explained in the Procedures.

(5) For underage international students covered by a Confirmation of Appropriate Accommodation and Welfare (CAAW) form, the University will ensure that appropriate arrangements are established and monitored with relation to their accommodation, support and academic and social welfare.

Section 4 - Procedure

Preamble

(6) This Procedure ensures appropriate accommodation and welfare arrangements are made for the period that an incoming international student will be under 18 years of age whilst holding a student visa, to comply with the [National Code 2018](#) Section 5 and visa condition 8532, and to protect the personal safety and social wellbeing of the student.

General

(7) This Procedure applies to all underage international students who are holding a student visa and enrolled at La Trobe University.

Setting up Appropriate Accommodation/Welfare Arrangements

(8) International students under 18 years of age seeking a student visa must have appropriate accommodation, support and general welfare arrangements in place until they turn 18. The student visa will be granted if the underage student resides with one of the following arrangements:

a. option 1: approved parent/legal custodian or suitable relative by [DIBP](#):

i. lives with a parent/legal custodian; or

ii. lives with a suitable relative who is over 21 years of age and of good character:

- suitable relatives (for student visa purposes) include a grandparent, brother, sister, aunt, uncle, niece, nephew, step-grandparent, step-brother, step-sister, step-aunt, step-uncle, step-niece, or step-nephew;

- the prospective student must lodge the "Nomination of a Student Guardian" form (157N) available on the [DIBP](#) website (www.border.gov.au) to [DIBP](#). A Confirmation of Appropriate Accommodation and Welfare (CAAW) form is not issued by the University for this option.

b. Option 2: Approved Care and Homestay Provision set up by La Trobe University:

i. If the student does not have an eligible relative in Australia, the student can have their welfare and accommodation arrangements approved by La Trobe University. Underage international students must reside in homestay accommodation arranged by La Trobe University's approved homestay provider, which is:

Duration of Accommodation/Welfare Arrangements

(9) The care arrangements must be in place for the entire period until the student turns 18, including any period of non-enrolment such as University holidays and/or up to 21 days before the commencement of class. La Trobe University will provide the student with a signed CAAW form and eCOE to include in their student visa application.

Assessment of Application and Acceptance

(10) La Trobe International (LTI) Admissions staff will identify an applicant who is under the age of 18 years. A Letter of Offer must include the condition that the student will be required to complete an Underage International Student

Welfare and Accommodation Arrangements form prior to accepting. This form is sent to an agent or the parents of the underage student with a Letter of Offer.

(11) Option 1: If the student chooses to reside with a DIBP approved parent/ legal custodian/ suitable relative, the student will submit an Underage International Student Welfare and Accommodation Arrangements form to Admissions, marking Option 1 as their care option. The student will need to provide evidence of relationship (e.g. birth certificate, family card). Upon receiving these documents, LTI Admissions staff will then issue an e-COE to the student.

(12) In the case where DIBP rejects the student visa application due to unsatisfactory guardianship arrangements, students will need to choose to Option 2.

(13) Option 2: The student chooses to have their welfare arrangements approved by La Trobe University. To receive approval from La Trobe University students must reside in homestay accommodation through LTU's approved homestay provider and receive care from LTU's approved welfare agency.

(14) LTI Admissions staff will receive a completed Underage International Student Welfare and Accommodation Arrangements form indicating Option 2, accompanied with evidence of engagement with a welfare agency and homestay provider covering the period of the student visa, beginning from their date of arrival, (not more than 21 days before commencement of class), until the time they turn 18 years of age or complete their studies, whichever comes first.

(15) The approved Underage Student Welfare condition will have been met once a CAAW form has been signed by the Pro Vice-Chancellor (International).

Document Storage

(16) All the forms will be physically placed on the student's file and saved electronically in ISIS and TRIM.

Nominated Welfare Dates

(17) The nominated start date on the CAAW where La Trobe University will take responsibility for the student's welfare will be up to 21 days prior to the start date of the semester. (18) The end date on the CAAW will be the date the student turns 18 years of age or the end date of the eCOE plus 7 days, whichever comes first.
